We celebrated our 60th anniversary of service to Lincoln in 2015 and are pleased to report it was a banner year in the areas of fundraising, grantmaking and community leadership.

To celebrate our six decades, a Diamond Donor campaign was launched in 2013 and ended on December 31, 2015. Our goal was to build a new group of donors who would make “forever” gifts that will provide additional resources to improve the community for future generations. We are so pleased to share the successful results from our 60th anniversary campaign. The overall campaign contributions and pledges total more than $60 million. We are thrilled with the coincidence of raising $60 million for 60 years, far exceeding our expectations.

We hosted the fourth Give to Lincoln Day last May and raised more than $3.2 million for 327 local nonprofits in just 24 hours. This special day of giving has grown every year and is a significant boost to the budgets our local nonprofits need to carry out their programs, making Lincoln such a great place to live. We look forward to the fifth annual event on May 26.

We distributed a record $11.7 million in grants to 738 nonprofits in 2015. Our financial overview shows a significant increase in grant distributions being made annually. These grants back into the community are impactful investments and are making a difference for Lincoln.

Community Leadership was a major hub of activity this past year. Our vision for the Lincoln Vital Signs 2014 and 2015 reports was that it would help Lincoln Be Informed and then Get Involved. Our first year and a half was devoted to educating the community. Last May, we launched Prosper Lincoln, the community engagement phase. Residents submitted more than 2,100 ideas for how to address the findings in the Lincoln Vital Signs. A Steering Committee thoughtfully considered all these ideas before they settled on the Prosper Lincoln Community Agenda: early childhood, employment skills and innovation.

The three community agenda areas are ambitious, impactful areas that will take the involvement of all sectors of our community, both by individuals and by institutions. That work is currently in progress as we move into 2016 and an infrastructure has been developed to focus and coordinate action so we are making progress toward the goals. It is through the power of numbers working toward a common goal, that we can have the impact we seek to Lift Lincoln Higher.

We reflect back on this busy and exciting diamond anniversary year with much gratitude. We thank all the generous people who have given their gifts of time, treasure and talent to improve our great city and celebrate those who now join us. Let’s work together to advance our community and grow Lincoln...Forever.

The Lincoln Community Foundation was established in 1955 to help donors serve and improve the community through philanthropic gifts to nonprofit organizations. We are a connecting point for people who are interested in moving Lincoln forward. We are a facilitator, a partner and a collaborator. We have a relentless desire and energy to make Lincoln a better place. Our name says it the best. We are Lincoln’s community foundation.
