It is an exciting time for our community. Gazing at the horizon, one immediately sees and feels the momentum. Our community is an arena for action. While the cranes and steel beams have been very visible signs of action, the community came together last May on Give To Lincoln Day for a virtual “barn raising.” In a 24-hour span, more than 5,000 donors contributed more than $1.3 million to 187 local nonprofits.

Building resources and providing leadership to this great city is the aspiration of the Lincoln Community Foundation (LCF). We experienced strong growth at the Foundation this past year and initiated several new activities to connect with our donors and the city. We want to recognize the following 2012 successes toward that goal.

The Lincoln Community Foundation is a facilitator, helping donors who wish to invest in Lincoln’s future. This past year, we received $9 million in new gifts and pledges, established 12 new Benefactors, 10 new Legacy Society members and opened 46 new donor advised Charitable Checkbook funds. We received a $2.6 million legacy gift in honor of Harley Bar to benefit 11 nonprofit organizations and create a new scholarship. These endowed funds will annually generate about $10,000 to each organization...forever. That is the power of endowment.

The inaugural Charity Award was established by LCF as a gift to the community. This award will provide the community with an opportunity to recognize individuals for their leadership and philanthropy to our great city. We are honored to present the first award to Ed and Mary Copple.

The Lincoln Community Foundation is a partner to nonprofits who work hard to serve the needs of our community. In addition to Give To Lincoln Day, we provided grants totaling more than $4 million to 401 nonprofits. This includes a leadership gift of $500,000 for the renovation of Centennial Mall. Scholarships were awarded to 216 students, totaling $221,000. A new partnership with Nebraska Global was also established. They provide technical assistance to local nonprofits for their software or hardware needs. After analysis, grants are provided from the Nebraska Global/LCF Fund for Nonprofit Technology.

The Lincoln Community Foundation is a connector for people who are interested in moving Lincoln forward. As we learned last May, when we work together as a community of donors, we create a synergy for greater impact. Please join us as we continue the work to build a vision of opportunity for this great city.
