*I would like to take a moment to thank you for this generous investment towards my education. I have been accepted to Princeton University where I will be studying psychology on the pre-law track. Seven years ago I dreamed of attending an Ivy League, but I was immediately discouraged after seeing how much it would cost my family and I. Now that I have accomplished this dream of mine and have the ability to actually afford it, I am overjoyed. It is donors like you, who make dreams like mine possible. Again, Thank you so much and I hope you know that this kid from small town Lincoln, Nebraska will never forget the change you made in her life.*
